Dear MOHAMMADREZA ROSTAMIAN DELAVAR:

This is in reference to your on-line application for a temporary resident visa. In regards to Judicial Review filed with the Federal Court of Canada, please provide additional or updated documentation for a redetermination of your application. In order for us to continue the processing of your application, we require the following documents:

LOA: Please provide an updated letter of acceptance from the intended educational institution.

Proof of funds: Please provide evidence of funds that are completely available, transferable and unencumbered by debt or other obligations. Please include evidence of account activity showing 6 months of deposit & withdrawal history. Evidence of assets such as a vehicle or potential income will not be included in the calculation of available funds.

Proof of tuition paid: Please submit proof that confirms you have paid your first year of tuition.

Client information - Please provide additional or updated documentation for a redetermination of your application.

This must be received at this office by: **2023/02/10**

The above information/documents must be received in our office within **30 days from the date of this letter**. You must upload the requested documents/information by using your IRCC secure account within the time frame indicated above.

Once the deadline has passed, the ability to upload your document will be deactivated. If you are unable to provide the requested document within the time frame provided, we recommend that you write an explanation and upload it in lieu of the requested document(s).

For general questions and to check the status of your application, please use the following online available to you on IRCC website:

Check your application status

Check processing times
Find application forms and guides
Find answers to common questions in the Help Centre

Thank you for the interest you have shown in Canada.
