Important Policies

- Please use your TorontoMet email address and include your student number in ALL email communication with TorontoMet staff

- Important forms related to appeals, course substitution and LOA must be submitted to the Graduate Program Administrator [Daniel Tian]. Do not cc people in the program/university unless otherwise requested

Important Policies

- Taking a LOA can negatively affect your graduation date and student visa

- If you have a question, we recommend
  - Check out the information online on one of TorontoMet's many webpages
  - Ask your GPA (Daniel Tian)

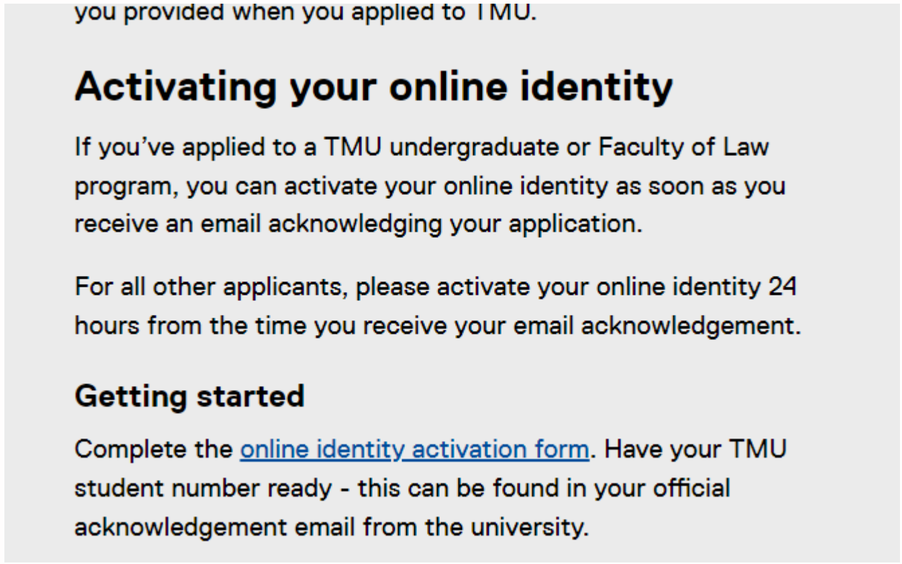

- Please review the significant dates each semester for important dates such as courses enrollment, tuition payments and course withdraw.

Next Steps

- **Activate online identity & secure your TorontoMet email:**

https://www.torontomu.ca/accounts/applicants/

Students should activate their online identity and TMU email no later than the end of the first week of classes

you provided when you applied to TMU.

Activating your online identity

If you've applied to a TMU undergraduate or Faculty of Law program, you can activate your online identity as soon as you receive an email acknowledging your application.

For all other applicants, please activate your online identity 24 hours from the time you receive your email acknowledgement.

Getting started

Complete the online identity activation form. Have your TMU student number ready - this can be found in your official acknowledgement email from the university.

Helpdesk: help@ryerson.ca or 416-979-5000 x556840

Next Steps

- **My Ryerson & Online Resources (my.ryerson.ca)**

Apps: where you can find Google Workspace related software (such as your @ryerson.ca email)

Online Courses (D2L Brightspace): Where instructors/professors post course materials

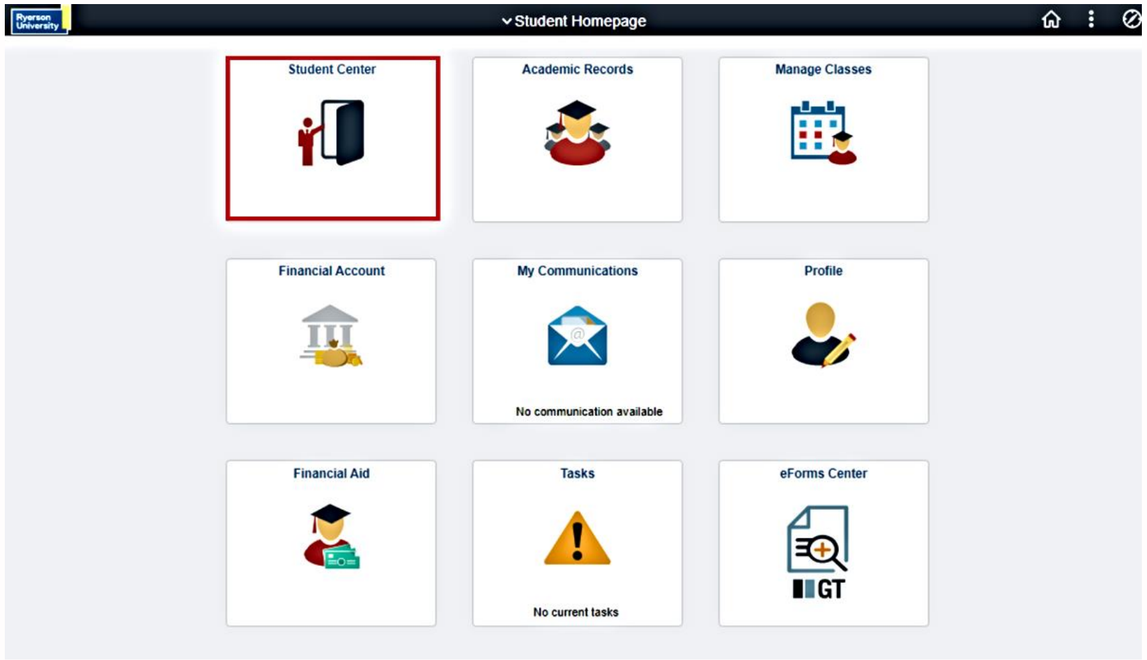

Note: Not all courses use D2L. If you do not see your courses on there, please contact the instructor directly to confirm.

Next Steps

- **RAMSS**
  - Enroll into courses (Student Centre)
    - Tutorial

Deadline to add a course: **September 16**

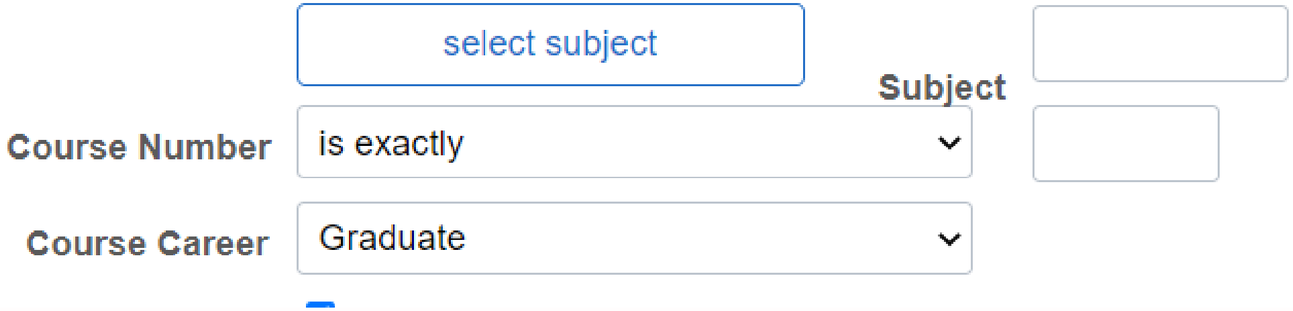

- **Profile**
  - Update your contact information

For electives other than EI8001, EI8002 and EI8003, please fill out the course substitution form and submit it to Daniel Tian via email.

Next Steps

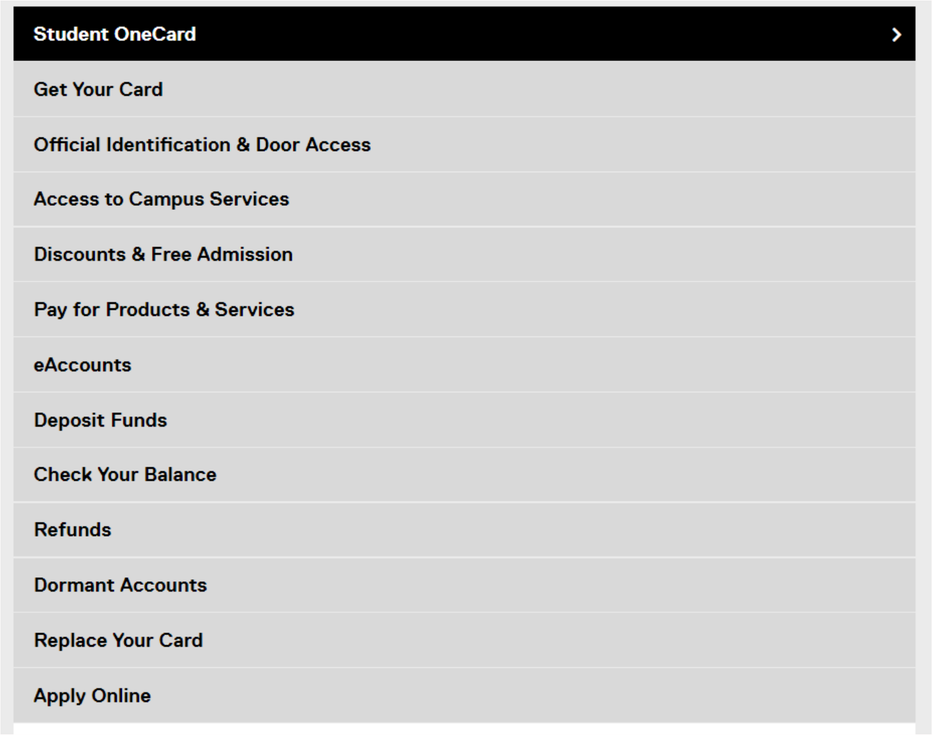

- **How to search for courses**
  - For example: EI8001
    - Subject: EI
    - Course Number: 8001

  - Most of the courses are only offered once a year!
  - For courses outside of our program, please find out on RAMSS if it is being offered this term (if you cannot find it using the search function, it is not being offered this term)
  - If you want to find out which term an elective outside of our program is being offered, please contact the appropriate program directly.

Next Steps

- **OneCard**
  - Access to TMU buildings
  - Access and pay for campus product and services
  - Discounts & Free Admissions

How to apply: https://www.torontomu.ca/university-business-services/onecard/student-onecard/get-your-card/

Resources

- **Computing and Communications Services (CCS)**

  - D2L Brightspace
  - TMU Google Platform
  - Microsoft 365
  - Computing Software
  - Security Software & Two-Step Authentication

https://www.torontomu.ca/ccs/

Helpdesk: help@ryerson.ca or 416-979-5000 x556840

Resources

- **Student Accommodations**
  - Students with special needs who require accommodation must register with the Access Centre (https://www.torontomu.ca/accommodations) and follow their procedure.
