Dear MOHAMMADREZA ROSTAMIAN DELAVAR,

This refers to your recent communication received at our office requesting reconsideration for your application for Temporary Residence in Canada.

Your application was considered on its substantive merits according to the applicable sections of the Immigration and Refugee Protection Act and the Immigration and Refugee Protection Regulations. Your request for reconsideration has been reviewed and there are insufficient reasons for re-opening your application.

A letter explaining the reasons for this rejection was sent to your online account, thereby fully concluding your application.

Should you feel that your personal circumstances have changed or you have different or additional information, you may submit a new application for Temporary Residence with the appropriate documentation included. Please note that there is no guarantee that future applications will be approved.

Thank you for your interest in Canada.
