Dear Sir/Madam

Thank you for your interest in Koohrang products. The price for a one-liter long-life milk product is as follows:

FOB Bandar Abbas Port: $ 0.52
CFR Jebel Ali Port: $ 0.59

Since the whole packaging process for this product is fully automatic, we cannot change the box format at the beginning. Therefore, initially, this product will be delivered in a 5 x 2 x 1 format (10 pieces). However, we are going to add another packaging line, particularly for your order, to pack the box in 4 x 3 x 1 products, which takes almost 90 days.

We are waiting for your first Purchase Order to issue the Proforma/Invoice and draft of the contract. We look forward to hearing from you soon.

Best Regards,
Koohrang Dairy Company
